

UCONN CLUB MEMBERSHIP MEETING

FRIDAY OCTOBER 14, 2022

EISENHOWER CENTER

This was our first meeting at the Eisenhower Center...very pleased with the accommodations and the location.

Meeting began after our Pledge of Allegiance...

TREASURER'S REPORT

- Joe presented the report ending on September 30, 2022, explaining the ending balance of \$1701.73
- Report was accepted

BUS TRIP

- Decision not to pursue trip to University of Florida for UConn men's basketball...reasons were several; too costly, too late, poor seats...

TOYS FOR TOTS

- Members encouraged to bring toys to next meeting of November 11, 2022
- Also, sign up sheets will be available to assist Marines on toy distribution...two hour shifts

POKER RUN

- Marty presented details of Poker Run which include; volunteers needed for Dealers, Set-Up and Clean Up, rules and regulations, ticket details, member questions

Note: In the best interests of our UConn club, the decision was made to postpone Poker Run to 2023...this would allow time for members to pay for their tickets at upcoming meetings instead of mailing in payments. The club would have a better feel for prize monies, food, and monies to benefit the club.

Haven

- Dee mentioned that gift monies will go to the Haven this year, and asked members if they had any other charitable suggestions

Upcoming Events

- Game watches at Sammy's and Gators
- Christmas Party
- Trivia Entertainer
- Bingo

UCONN BASKETBALL

- Tom and Lee gave a presentation on this year's Women's and Men's Basketball
- Both provided a breakdown of each player, their strengths, stats, history, etc.
- ...Much to look forward to this season from both squads!

FIRST NIGHT

- Dee provided a stream from Flosports which had UConn's First Night festivities
- Fun night, both Men's and Women's teams have several newcomers each...we were able to get a view of all, giving us high expectations!

NOW IT'S TIME TO ENJOY OUR ICE CREAM SOCIAL!
